

OLIVER TILLINGHAST

ALL-SOURCE NETWORK ANALYSIS | CI AND HUMINT SUPPORT

Wichita, Kansas | (785) 214-8759 | obtill199@gmail.com

Active DoD TS/SCI | Counterintelligence Polygraph

PROFESSIONAL SUMMARY

Cleared all-source and digital network intelligence analyst with six years of experience identifying relationships, building association structures, analyzing target activity, and supporting operational requirements. Brings a current TS/SCI with CI polygraph, strong reporting and briefing skills, and experience coordinating with Intelligence Community partners on complex target networks.

AREAS OF EXPERTISE

Association Matrices and Link Analysis | All-Source Intelligence | CI and HUMINT Support | Target Network Analysis | Requirements Tracking | Threat Assessment | Regional Analysis | Intelligence Reporting | Briefing

PROFESSIONAL EXPERIENCE

Fusion Analyst | Data Analyst | Team Lead

October 2022 - Present

184th Intelligence Group, Kansas Air National Guard | McConnell AFB, Wichita, KS

- Create and respond to intelligence Requests for Information, clarify requirements, identify suitable sources and tools, and deliver concise findings to operational customers.
- Maintain readiness to return to operational analysis while monitoring collection capabilities and the political and military environment surrounding priority adversaries.
- Lead more than 20 analysts by setting priorities, assigning work, monitoring progress, and resolving obstacles across operational and developmental efforts.
- Helped develop an ArcGIS dashboard and historical database documenting movement of order of battle, combining geospatial context, imagery-informed workflows, and structured records for analyst use.
- Briefed the Air National Guard Director of Intelligence on the team's results and operational impact, turning technical work and user feedback into clear decisions for senior leadership.

Digital Network Intelligence Analyst

September 2020 - October 2022

161st Intelligence Squadron, Kansas Air National Guard | McConnell AFB, Wichita, KS

- Built target, entity, relationship, and timeline structures covering more than 150 individuals using SIGINT, digital network intelligence, and all-source reporting.
- Produced more than 20 multi-intelligence assessments for United States Central Command and coordinated information sharing with NSA, CIA, Army, and other Intelligence Community organizations.
- Tracked 52 subjects of interest and authored 109 time-sensitive reports during Operation ALLIES REFUGE, supporting decisions that enabled the safe evacuation of 124,000 noncombatants.
