

OLIVER TILLINGHAST

JOURNEYMAN INTELLIGENCE ANALYSIS | THREAT ASSESSMENT

Wichita, Kansas | (785) 214-8759 | obtill199@gmail.com

Active DoD TS/SCI | Counterintelligence Polygraph

PROFESSIONAL SUMMARY

Cleared intelligence analyst with six years of experience researching complex threats, authoring time-sensitive reports and assessments, and coordinating with DoD and Intelligence Community partners. Brings strong analytic tradecraft, production ownership, senior-leader communication, and experience turning incomplete reporting into clear judgments and recommendations.

AREAS OF EXPERTISE

Threat Assessment | Intelligence Production | Multi-Source Research | Analytic Writing | Senior-Leader Products | IC Coordination | RFI Support | Target and Network Analysis | Operational Reporting

PROFESSIONAL EXPERIENCE

Fusion Analyst | Data Analyst | Team Lead

October 2022 - Present

184th Intelligence Group, Kansas Air National Guard | McConnell AFB, Wichita, KS

- Maintain readiness to return to operational analysis while monitoring collection capabilities and the political and military environment surrounding priority adversaries.
- Create and respond to intelligence Requests for Information, clarify requirements, identify suitable sources and tools, and deliver concise findings to operational customers.
- Lead classified software and AI/ML evaluations with industry and national laboratory partners, assessing output accuracy, mission fit, data quality, limitations, and adoption barriers before recommending whether a capability should move forward.
- Briefed the Air National Guard Director of Intelligence on the team's results and operational impact, turning technical work and user feedback into clear decisions for senior leadership.
- Lead more than 20 analysts by setting priorities, assigning work, monitoring progress, and resolving obstacles across operational and developmental efforts.

Digital Network Intelligence Analyst

September 2020 - October 2022

161st Intelligence Squadron, Kansas Air National Guard | McConnell AFB, Wichita, KS

- Tracked 52 subjects of interest and authored 109 time-sensitive reports during Operation ALLIES REFUGE, supporting decisions that enabled the safe evacuation of 124,000 noncombatants.
- Produced more than 20 multi-intelligence assessments for United States Central Command and coordinated information sharing with NSA, CIA, Army, and other Intelligence Community organizations.
- Built target, entity, relationship, and timeline structures covering more than 150 individuals using SIGINT, digital network intelligence, and all-source reporting.
