

OLIVER TILLINGHAST

INTELLIGENCE PROGRAM ANALYSIS | CASE AND WORKFLOW MANAGEMENT

Wichita, Kansas | (785) 214-8759 | obtill199@gmail.com

Active DoD TS/SCI | Counterintelligence Polygraph

PROFESSIONAL SUMMARY

Cleared intelligence program analyst and team lead with six years of experience coordinating classified initiatives, tracking tasks and milestones, documenting workflows, and moving AI/ML capabilities from evaluation into operational use. Builds durable processes that give leaders visibility into progress, risks, ownership, and next actions.

AREAS OF EXPERTISE

Program and Task Tracking | Case and Workflow Management | POA&M Development | SOPs and Continuity Documentation | AI/ML Operationalization | Requirements Management | Risk Tracking | Stakeholder Coordination | Process Improvement

PROFESSIONAL EXPERIENCE

Fusion Analyst | Data Analyst | Team Lead

October 2022 - Present

184th Intelligence Group, Kansas Air National Guard | McConnell AFB, Wichita, KS

- Build plans of action and milestones for test objectives, developmental work, and capability goals; maintain requirements, risk documentation, test findings, implementation plans, and leadership recommendations.
- Managed the 184th ISRG implementation of Scale AI's Donovan platform for approximately 30 intelligence professionals, translating analyst needs into use cases and coordinating integrations, testing, training, troubleshooting, and rollout activities.
- Coordinate biweekly working sessions and quarterly capability reviews with industry partners, analysts, engineers, customers, and leadership to resolve issues and keep delivery aligned with mission needs.
- Lead more than 20 analysts by setting priorities, assigning work, monitoring progress, and resolving obstacles across operational and developmental efforts.
- Lead classified software and AI/ML evaluations with industry and national laboratory partners, assessing output accuracy, mission fit, data quality, limitations, and adoption barriers before recommending whether a capability should move forward.

Digital Network Intelligence Analyst

September 2020 - October 2022

161st Intelligence Squadron, Kansas Air National Guard | McConnell AFB, Wichita, KS

- Trained and mentored more than 10 analysts on tradecraft, software workflows, reporting standards, and Intelligence Oversight; brought three analysts to full proficiency within one year.
- Produced more than 20 multi-intelligence assessments for United States Central Command and coordinated information sharing with NSA, CIA, Army, and other Intelligence Community organizations.
- Tracked 52 subjects of interest and authored 109 time-sensitive reports during Operation ALLIES REFUGE, supporting decisions that enabled the safe evacuation of 124,000 noncombatants.
