

OLIVER TILLINGHAST

INTELLIGENCE MISSION SUPPORT | TEAM COORDINATION

Wichita, Kansas | (785) 214-8759 | obtill199@gmail.com

Active DoD TS/SCI | Counterintelligence Polygraph

PROFESSIONAL SUMMARY

Cleared intelligence professional and Air National Guard NCO with six years supporting classified operations, complex teams, reporting workflows, training, and partner coordination. Known for organizing requirements, maintaining execution plans, resolving obstacles, and communicating clearly with analysts, engineers, customers, and senior leaders.

AREAS OF EXPERTISE

Intelligence Mission Support | Team Leadership | Task and Milestone Tracking | Operational Reporting | Meeting Coordination | Training and Certification | Process Documentation | Customer Support | High-Tempo Operations

PROFESSIONAL EXPERIENCE

Fusion Analyst | Data Analyst | Team Lead

October 2022 - Present

184th Intelligence Group, Kansas Air National Guard | McConnell AFB, Wichita, KS

- Lead more than 20 analysts by setting priorities, assigning work, monitoring progress, and resolving obstacles across operational and developmental efforts.
- Build plans of action and milestones for test objectives, developmental work, and capability goals; maintain requirements, risk documentation, test findings, implementation plans, and leadership recommendations.
- Coordinate biweekly working sessions and quarterly capability reviews with industry partners, analysts, engineers, customers, and leadership to resolve issues and keep delivery aligned with mission needs.
- Create and deliver job-specific instruction, Intelligence Oversight training, platform training, procedure guides, and reference materials; career training has reached approximately 100 personnel and supported initial qualification and annual recertification.
- Briefed the Air National Guard Director of Intelligence on the team's results and operational impact, turning technical work and user feedback into clear decisions for senior leadership.

Digital Network Intelligence Analyst

September 2020 - October 2022

161st Intelligence Squadron, Kansas Air National Guard | McConnell AFB, Wichita, KS

- Supported high-altitude U-2 missions for approximately 10 months as a report writer on sustained night-shift operations, producing timely reporting in a high-tempo classified environment.
- Tracked 52 subjects of interest and authored 109 time-sensitive reports during Operation ALLIES REFUGE, supporting decisions that enabled the safe evacuation of 124,000 noncombatants.
- Trained and mentored more than 10 analysts on tradecraft, software workflows, reporting standards, and Intelligence Oversight; brought three analysts to full proficiency within one year.

PLATFORMS AND TECHNICAL SKILLS

Microsoft Office; SharePoint-style knowledge workflows; Palantir; FADE/MIST; IBM i2 Analyst's Notebook; Esri ArcGIS; ChatSurfer; COGNOS (iCR); classified intelligence databases
